

## Mission Statement:

Mission Statements define a purpose for the teacher, students, parents and other key individuals in the learning environment.

### Mission Statements...

- Need to have input from everyone
- Need to believe in the mission
- Effective mission statements are easily recalled and provide direction and motivation.

# Mission statements tell ...

- who you are
- what you do
- what you stand for
- why you do it
- how you do it

\*\*\* Review IL Learning Standards

## Now it's your turn ...

Using three post-its answer the following three questions:

Why are you here?

What makes us work together?

How can we reach success as a class?
