

Wildcat Parent Expectations

Parents can only give good advice or put them on the right paths, but the final forming of a person's character lies in their own hands. –Anne Frank

You are an integral part of your child's academic and social growth. I am excited to join you and your child in that process. As we share in the journey of your child's education please explain how you will help guide your child this year.

My child is good at _____

My child needs help with _____

Academically, I would like to see my child improve _____

Socially, I would like to see my child improve _____

I expect my child to _____

I expect my child's teacher to _____

As a parent I will _____

Thank you for your participation in your child's education.

Parent's signature _____ Date _____
